

## **1. Introductions**

## **2. Elections**

George Janson, Mike McDonald, Barry Mitchel, Dan Remsburg and Ann Wichmann were elected as Directors.

## **3. Training**

- MLSO class – Douglas County – 25-26 January and 1-2 February. 10 people have signed up so far.

## **4. DOLA**

- Next meeting is in Frisco on 15 January at 10:00am.

## **5. Special Interest**

### **5.1 Dog Liaison**

New board elected for SARDOC. They lost 2 dogs in the last two months. NASAR is supposed to provide dog food through the state coordinator. No news on this yet.

### **5.2 MRA**

National meeting on Jan 17-19 in Salt Lake City.  
Park County SAR reaccreditation scheduled for April. RMR reaccreditation scheduled for the 1<sup>st</sup> weekend in April.

### **5.3 ASTM**

Nothing new.

### **5.4 NASAR**

Nothing new.

### **5.5 Aviation SAR**

Nothing new.

### **5.6 EMS**

There is a bill to ammend EMT background checks. It will do away with the less expensive option. There is a process to create rules to license air ambulance services. Aircraft used for SAR extrication will be exempt from this license.

## **6. Help Wanted**

People are needed to fill state coordinator positions. 6-8 positions are available. Want a group to train. Should expect to serve for at least 4-5 years. John Agnew is a possibility.

## **7. New County Sheriffs**

There are 36 new sheriffs. The 2<sup>nd</sup> week in February is the County Sheriffs of Colorado meeting in Ft. Collins. CSRB will have a booth. Need people to run the booth.

## 8. PLB Discussion

Personal Locator Beacons are supposed to be legalized on 1 July 2003. CSRB on-call coordinator will receive notification of PLB alerts. The coordinator will have to determine what county it is in and pass the information on to the county sheriffs office. PLB users need to register their units.

## 9. CSRB Website

Don Davis from Larimer county will be handling the new CSRB website. The address is [www.coloradosarboard.org](http://www.coloradosarboard.org). Links to the old site need to be removed, especially from sites like the DOLA, MRA and NASAR sites.

## 10. Other

- Howard Paul presented a new ICS-211 style form for check-in/check-out. Recommends that the Board adopt it for teams going to other counties. Adapted from a team in Maine.
- Information for special license plates
  - Apply to the state department of revenue.
  - \$200 to design plate
  - \$25 plus registration for individual
  - Need 3000 plates within 12 months
  - Need application in by 1 March.
  - Need to compile a list of people who say they will get them. 250 would be a good number.

**Moved by Mike McDonald, seconded by Bill Young to spend the \$200 for plated design if we meet the minimum requirement for number of people desiring plates(250). Motion PASSED.**

- Larimer is looking for info on team jackets. Send email to [wyoung@frii.com](mailto:wyoung@frii.com) with information. Looking for possible sources, emblem issues and policies with them.
- Would like to do two team profiles in each newsletter.

## 11. Mission Reports

- RMR: Nothing of interest
- Summit: Nothing big. Missions for the past year down by ½. Nov. 16<sup>th</sup>, 2 victims on Quandry. 1800 ft. down. One walked out. Both survived.
- Park: Sheriff making noises about charging for 4x4 rescue. Do not get vehicle, only people.
- Adams: Quiet.
- Teller: 4 wheelers in burn area
- Larimer: 82 class in 2003. 52 fielded, 10 since last meeting.
- El Paso: 134 missions for 2003. Down by 25%
